X-431 PAD II ANDROID™ SCAN TOOL TABLET

The PAD II is a robust, drop-tested and waterproof Android based scan tool tablet with a 10.1 inch ultra-high resolution IPS touch screen. The PAD II boasts the same award winning software as previous Launch Pro-line scan tools – including vast vehicle coverage, powerful special test functions, accurate and ultra-fast live data and graphing, along with module coding capabilities. Full system diagnosis is through a Class-1 Bluetooth 2.1 connector for optimum wireless connectivity. Also new in the PAD II is a revolutionary Customer Remote Diagnostics capability called Golo that allows the shop owner and technician to remotely analyze customer vehicle data outside the shop - even thousands of miles away

FEATURES & BENEFITS

- > Built to IP65 water proof specifications, drop-tested, dust-proof design
- > Featuring an open Android™ operating system for a true tablet experience – install third party apps and software!
